A NEWSLETTER FOR OUR CHURCH FAMILY AND FRIENDS

A Word from the Pastor

"And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another- and all the more as you see the Day approaching."

Hebrews 10:24-25

Okay. How DO we spur one another on toward love and good deeds? I can stand up in front and make a biblical case for loving God and loving one another, and doing good deeds for the people around us. Sometimes a sermon is a helpful reminder to us; but more often, things we actually do have a bigger impact on one another.

For instance, you all have heard me say, many times, that God put our church here so that we can reach out to the people in our community who need Jesus. We're the only active church in Columbia; so if we're not reaching out to our community, who will? We are God's Plan A....and there is no Plan B. Talking a lot about outreach doesn't seem to make it easier for many of us to do. We need to spur one another on, by actually doing something.

So the Welcome and Evangelism committee has decided to hold a contest! The contest starts on Sunday, July 1, and ends on Sunday, September 16. I will take the contest winner out to lunch at any restaurant in your county that you choose.

Marching in Columbia's 2008 4th of July Parade

Here's what you do: Invite people to come with you to church. They have to actually show up in worship for it to count for the contest.

If someone comes with you to church because you invited them, just write a note on the back of your yellow prayer insert, and tell me the name of that person. Put your name on the front, please, so I'll know who you are! I will keep records of all the yellow sheets I receive, telling me who brought which visitor.

Every few weeks, I'll give you an update during worship, just to let you know who the front-runners are. I hope and pray that a contest, with a prize, will help spur us on toward the good deed of good news.

And we really do have good news to share with our invitations. Plenty of people in our area will say that they believe in Jesus, but they don't go to church. They'll say they don't need to, or they used to, or they have other commitments. Certainly belief in Jesus is critically important. But if we believe in Jesus, we'll want to do what he says; and one of the things he says is that his

July 2018

followers are to be together. Before his arrest, Jesus prayed, "I pray also for those who will believe in me through their message, that all of them may be one, Father, just as you are in me and I am in you.... I have given them the glory that you gave me, that they may be one as we are one- I in them and you in me- so that they may be brought to complete unity." (John 17:20b, 22-23a) The New Testament always presumes that Jesus' followers will be together in worship at a specific place (Acts 2:42-47).

Being together in church brings us tangible benefits too. Rob Moll, the communications officer to the president of World Vision, summarized several decades' worth of research about the benefits of church attendance to your health. In his recent book What Your Body Knows About God, he sums up the benefits by saying, "The lack of religiosity is about as unhealthy as 40 years of smoking a pack of cigarettes a day. If you care about your health, you might want to start going to church and praying regularly."

So if you invite people to come to church with you, you are helping them improve their health as well as helping them obey Jesus. You are doing something good for them. And besides, wouldn't you like to win the prize?

Yours in Christ,

Pastor Janet

OUR MISSION STATEMENT

Columbia (Church of the 49ers) exists to glorify God and enjoy Him forever. We seek to do this through:

WORSHIP—expressing our love for God directly to Him;

NURTURE—studying and teaching God's Word;

FELLOWSHIP—direct association and involvement with other believers;

OUTREACH—bringing the lost to a saving knowledge of Jesus Christ; to be committed to Him, His church, and His work in the world.

We will seek to fulfill this purpose in a way consistent with Scripture through the Spiritual Gifts in our church. We will strive to minister to the needs of ALL people while being committed to Jesus Christ, His church, and His work in the world. In all things we will seek to be a people of prayer, realizing our complete dependence upon God the Father, the Son and the Holy Spirit.

June 2018 Session Highlights

Preceding the regular Session meeting on June 27th, the PNC (Pastor Nominating Committee) joined the Elders to receive instructions on Succession Planning, conducted by Pastor Janet Russell. The Pastor summarized for the PNC what steps the Session had already completed, and what their next tasks would be: things like a timeline of tasks, the church's mission, values and strategy for the months ahead. Areas of responsibility for Session and for PNC were listed. The goal is for the Session and the PNC to be working simultaneously and communicate back and forth.

Session business included a report from Buildings & Grounds that Daren Neill will use his own equipment to change out burned-out light bulbs and remove the white unused speakers high up in the Sanctuary.

Session approved the rental of Room 5 in the Christian Education building to

AAUW for storage of their Christmas decorations and other property. This is beneficial to both the church and AAUW, whose members annually decorate Faith Hall for their Home Tour Fundraiser in early December and then let the church enjoy the Christmas decorations until January.

The Welcome and Evangelism committee members are planning to man a booth at the annual Tuolumne County Health Fair in October 2018, and will need help.

Jim and Daniel Britt are rebuilding our church's website, which will be very useful in searching for our new pastor.

The next regular meeting of the Session is scheduled for July 25th in the Lower Sanctuary at 2:00 pm, and members are welcome to attend.

Brynna Neves with her Hope of America Award

Top Students

Brynna Neves, 13 (until July 9th!) graduated from Columbia Elementary School on June 6th. Besides receiving a certificate for Excellence in Scholarship, and her diploma from the school, she was surprised to receive the Hope of America Award presented by the Kiwanis Club of Sonora. It reads: "Brynna Neves... has demonstrated leadership, ethical and moral character and outstanding academic accomplishment."

Seen in the Union Democrat - Honor Roll at Columbia Elementary

Gabriel Mahnke, 5th grade, 3.5-4.0 GPA, grandson of Kathi Lewis; **Neveah O'Dea**, 6th grade, 3.25-3.5 GPA, and **Brynna Neves**, 8th grade, 3.5-4.0 GPA, both granddaughters of Nora Neves.

Notes from our Friends

Per a note from **Bobby Carr's** daughter Andrea to Pastor Janet: "My dad got your postcard and is very happy to hear from you! He's having fun with his caregiver Maria and enjoying time with (grandson) Gianni. He says hello to everyone and is working in building up his walking stamina to come for a visit. He misses you all and sends his love!"

Gianni and Bobby

Mary Chalmers wrote, "Doing well – 90 years old now. Please say hi to everyone at church for me."

Have you noticed a beautiful cross in the History display window on the Faith Hall porch? Jan Atkinson created it, out of wood, alabaster and resin back in the 1980s. She poured resin (in a large box), put the alabaster in—and in that way it was held firm until she could sculpt around it. It shows waves of love rippling out from the central cross, rather like how ripples show up in a pond if you toss a rock into it. Jan has donated her art to our church. Though she may need it occasionally for an art show, our church is blessed with this very beautiful, very personal work of art which helps make Jesus' love visible. If you haven't seen it yet, stop by the display window on your way into Faith Hall. You'll be glad you did!

Pastoral Succession Update

The congregation elected the Pastor Nominating Committee (PNC) at a called meeting on June 24. PNC members are Gary Davis, Jim Brandt, Tom Kimura, Sharon Poff, Carol Kent, Vi Morgado, Ken Minett, Judy Haughton, Tony Lertora, and Gwen Harris. They will be trained in early July, and will begin their work right away. The first thing they'll be doing is putting together the Church Information Form. Please pray for them as they think about how to represent our church, and how to describe the pastor God wants us to have.

On July 1st during Family Business before worship, Dick Dyer gave Pastor Janet a flowering plant - to honor and thank her for nine years of dedicated service to the Church of the 49ers family. And a cake was served for all to enjoy after the service.

Meanwhile, the Session is working on financial projections, program emphasis, personnel matters, and making certain the policies and by-laws are pulled together and updated. This groundwork will ensure that our church is prepared for a smooth leadership transition when I retire in December 2019. Please pray for them as they figure out what needs to be done to make sure our church home is in order.

Succession Planning

The Session spent the better part of two days working with ECO and a consultant to glean as much as possible about what it will take to seek God's will and understanding in finding a new pastor for our church. (**Pastor Janet Russell will retire in December 2019 after serving our church for more than 10 years.**) From the very start of the training, it became clear that the first step was to establish what our mission and values are as a church and what our strategy over the next year needs to be. After much prayer and discussion, the Session agreed upon the following restated mission

statement, set of values and the planned strategy. Since that time, the pastoral nominating committee has been formed and has begun meeting. The committee will be in close contact with the Session throughout the process. Please pray for them that they will discern God's guidance and will. Pray also for the candidate who will be led to serve our church for many years to come.

Backup People Needed for Church Registry Maintenance

Pat Federly maintains our church registry (membership, visitors, weddings, baptisms, deaths, removals) using Church Windows software. She would like to train two backup people on the use of Church Windows to maintain our church registry. Now that it's all been set up, it wouldn't take a lot of time to maintain; and backup people are needed in case of emergency or travel. Please call Pat at 209-586-9563.

Interfaith News

I want to open this month with a big "thank you" for all who donated or attended our Pancake Breakfast held last month. It was a success, clearing approximately \$1,500. Even though there was some work involved, we also had fun working together. These monies will be used to help with our clients' needs in various areas.

My request this month is for a few more volunteers to help us out at the Interfaith Community Social Services facility in East Sonora. For various reasons, we have had some people who no longer can help us. The two areas with the greatest need are the clothing department (both men's and women's clothes) and the household department. We have people who will train you and it is only from 10 am - 1 pm on a weekday. If you have some time to give us, please call or see me at church. We really need your help. Also, thanks to everyone who continues to help by donating items on a regular basis.

News from Allen Graham, Missionary

Dear Church of the 49ers family, greetings once again from southern Spain. It was so good to be with you on June 17. Thank you for giving me the opportunity to update you on the ministry.

Thank you praying for the urgent need for believers to produce programs for one of the minority language groups in our region. Please keep praying for this, and at the same time, praise God that our partner has been able to send us audition recordings for two potential producers. Although the language is classified as “minority,” it is actually spoken by almost 3.2 million people. There are only an estimated 3,200 evangelical Christians in this country. Spiritual darkness prevails. Let’s pray for a mighty movement of God’s Holy Spirit and for His protection over our brothers and sisters.

Several months ago I told you about

an exciting new media project being developed in Quito, Ecuador. The programming will reach

into the country in our region that is most closed to Christian activity. It is scheduled to launch the second week of July, but we have had some technical setbacks this week. Please pray for these problems to quickly be resolved and that we can make up for lost time. Thank God for giving us an opportunity to be light in a very dark part of the world.

On an administrative note, *Reach Beyond* is launching a “new look” in order to have a more contemporary brand image. The name isn’t changing, nor is our commitment to reach the least reached. Along with the new logo, our website has had an extreme makeover. If you get a moment, please take a look at reachbeyond.org

Finally, the long process to establish Reach Beyond as a non-profit entity here in Spain is in

the final stages. All of the legal documents, from Spain as well as from the United States, have now been submitted to the Spanish government. We are still about six months away, which sometimes seems like an eternity, but we know full well that God’s timing is always perfect. Please pray there will be no snags along the way.

Thank you for faithfully holding my ministry with Reach Beyond up to the Lord. Thanks also for your generous and sacrificial gift for the work. Together, we are taking the Light of Jesus to the world!

Mission Committee

When the Mission committee met with Nina Collins at Grandma’s House, she mentioned that in addition to volunteers, the center could use a bench for the children and adults to use outside. Through a contribution from an anonymous donor, we were able to purchase an iron bench with a beautiful array of sunflowers on the back. Nina and the children were thrilled! The bench has been placed along the shady, side yard against a white fence. Nina plans to teach a unit on flowers and at the conclusion of the lesson, the children will paint flowers on the white fence. The Mission committee would also like to thank Josh Brockett, owner of The Nest in Twain Harte, for discounting the cost of the bench because it was going to a good cause.

The next meeting of the Mission Committee will be July 24, at 3:00 pm in the Lower Sanctuary. New members are always welcome.

Judy and Roger Haughton, Mission Committee Co-chairs

Lilian and Allen Graham

It was great to see missionary Allen Graham in worship on June 17th. Allen spoke from the pulpit about his work in far-away countries and Gary Davis presented him with a check from the Mission Committee. Allen’s mother, Lilian, was also pleased to have her well-traveled son home for a few days.

HISTORY

“Flying High”

Adapted from an interview with Royce and Marge Rickman by Dick Dyer in 2017. Royce and Dick are identified as *RR* and *DD* respectively.

Oral History Series #OH 2017.12.08

RR: When I got out of the service I went back to my home in Missouri, and after a few months I decided to go back and see that gal I met (Marge). And so, I went back to San Francisco, started looking for jobs and at that time United Airlines was hiring heavily in the mechanics work because some of their airplanes needed to be modified. And so, I was able to get on at that time. I worked for them many years as a mechanic, and later I decided I wanted to fly and so I switched over to the flying end. And so, I flew with them until I had my heart problem, and that cut my flying short. I was 59, no, 52 at the time.

DD: So, you didn't fly in the Air Force?

RR: No, I was in maintenance in the Navy.

DD: You were almost too tall for most of the airplanes then?

RR: Yes. I know the airlines had a limit of 6'2" and I was at that time 6'5". But they made an exception partly because I had been a mechanic for many years. And actually, one of the flight managers took me out and sat me in an airplane and observed how well I could sit and monitor and operate the controls. And he gave me the OK.

DD: Did you have an airplane here in Columbia?

RR: Being a pilot, I had a light airplane. I used to fly mission trips down to Mexico. The mission group down there was an organized group that took dentists and nurses down and they would serve medical purposes in these remote villages, and they would join hands with the local missionaries. It was a way of enhancing that missionary's work. So, people would come to him because they could get the medical service. Also, they would hold Christian services for them. And the trips went about 10 times a year. We would leave here in an airplane. I flew a group from this part of California and about three airplanes flew from

the Los Angeles area, taking people from there. They would take medical people down to these back villages. Those people were looking for medical help. In the small villages they had no doctors or anything. It wasn't unusual for our dentist to go down and maybe pull five or six teeth with no novocaine. The patients' mouths were so broken down they had no feeling there. One year I took the pastor of the church (Jim McCluskey) with me so that he could see that type of operation. And he would preach down there at night to the people. We would leave here on a Thursday afternoon, spend the night, usually in Tucson, just before we crossed the border. The medical people would then work with the local people.

On one trip with the youth pastor, Rob, I took six of our youth. We just blended in with the rest of the people to give these youngsters a chance to see what life was like for those people and what the mission people were trying to do.

Welcome & Evangelism

On June 7th the Church of the 49ers had a booth in the Senior Expo at the Mother Lode Fairgrounds. The Senior Expo is hosted by the Area 12 Agency on Aging each year to provide information to local seniors. Members of the W&E Committee manned the booth, including Gary and Leslie Davis, Melissa Schultz, Kathy Mastenbrook, Deb Handy, and John Malaspino, to meet and talk with people about our church. Many (about 56) stopped by to see all the pictures we displayed of our worship services, choir, missions, history, and outreach

events, and we distributed the church visitors brochure and flyers for the Helen Johnson Community Dinners. Pray that some will come to experience Sunday worship with us.

We will also have a booth at the two-day Tuolumne County Health Fair in October, and will need additional volunteers to man the booth, explaining to fair-goers that those who worship Christ as part of a church family are known to be healthier, and even can have a longer lifespan. Let me know if

you're interested in taking a two-hour shift for this outreach to our community.
