A NEWSLETTER FOR OUR CHURCH FAMILY AND FRIENDS

## Report from the Pastor Nominating Committee (PNC)

After meeting April 17, 2024, the twelve committee members met in groups to work on portions of the Information Packet for Pastor Candidates. On Thursday May 2nd we spent three hours editing each section and agreeing on the order. As Recording Secretary, I pieced together the Information Packet before sending it to the Committee by email. The Committee voted Friday night May 3rd to accept the final revision. This document, along with the Transitional Pastor Job Description, was presented to Rev. Dave Kerr on Sunday May 5th for review by the Presbytery, who have approved our document! In only two weeks your Session and PNC completed a major step toward advertising for a new Called Pastor. Copies of the Information Packet are available for the congregation at each door to the Sanctuary.

We have Sunday preaching covered into June, and we already have interest for the Transitional Pastor who will serve until the permanent Pastor is selected. Doreen has sent Information to each person on the Pulpit Supply List.

At the PNC meetings on May 15 and 29 we discussed where we want to post our Information Packet for Pastor Candidates and agreed on the ECO job board and at four conservative seminaries open to truth-based ideology more in

alignment with our church. Doreen is contacting those institutions.

We also discussed what we want in a pastor:

- 30s-50s -- We want someone who will be long-term.
- Family? -- Help grow our Children's Ministries. Children's story time in Worship?
- Is this person a dynamic speaker? -- Listen to tape of sermons.
- What will ECO accept? -- Ordainable program, Masters is desirable.
- A good communicator and listener -
  - Can they provide examples?
- Leadership qualities -- Discretion and trustworthiness
- Reasonable -- able to recognize and acknowledge different points of view.
- Problem solver -- ask how they have resolved issues.

We encourage any additional input. Keep praying for God's guidance, for the right person to be our new Pastor, and that our congregation will be ready to receive this person with joy and thanksgiving!

### A Call to Prayer

Above all, pray that God's will would be done, and His name would be glorified through the entire process of finding a new pastor for First Presbyterian Church of Columbia. Pray that God's work would be visible to everyone so that we would continue trusting the One who richly provides.

### Romans 11:36

To him be the glory forever!  
Amen. (NIV)*

## OUR MISSION STATEMENT

We are the Church of the 49ers,  
where God is the gold. We serve  
and worship God in spirit and in the  
truth of the scriptures. We live by faith  
and will be known by our love  
for others and our voice of hope.

Officers for next term will be decided at our next meeting June 9 at 11:30 am in CE3. We will need a new Moderator and Vice Moderator whose duties could be interchangeable if agreed. As Clerk of Session, Doreen Bass is the Liaison with Session instead of the Vice Moderator and she agreed to stay as Secretary. Denella Kimura will continue as Treasurer, and Victoria Dinesh-Balaraman is currently the Asst. Treasurer.

Committee Chairs can continue or change as desired. Sandy wishes to remain as Communion Chair. Our next Communion is June 2 with Mary Adams supplying the bread and Carol Kent pouring the juice in preparation for setting the Communion table. Doreen arranges for the Communion servers, and reports any worship activities from the Session. Victoria wanted to continue with Home Communion on the Monday afterward. Rose Shaffer will remain as Memorial Chair, and Sandy keeps the Grief Booklets, which the Deacons send to the family members throughout the following year. If you would be helped by these thoughtful booklets, let your Deacon know.

Michelle Kidwell will stay as liaison with Nancy's Hope, and Vi Morgado will report on Interfaith, though we should have an alternate if Vi cannot attend. The Deacon Fund Committee consists of Denella (Treasurer), Victoria (Asst. Treasurer), the Moderator (to be determined), and another Deacon -- currently Vi. They consult on every request for emergency funds, which are provided confidentially.

Deacons continue to pray for our congregation, remembering them with cards and phone calls. If you haven't heard from your Deacon in a while, let Doreen know, and she will check for you. Rest assured that our prayer team prays for each one of you over the year.

## 4th of July Outreach Event

In recent history members of the Church of the 49ers congregation marched in Columbia's Glorious Fourth of July Parade each year—2008 through 2019. We took a break during the Covid years (2020-2022), and resumed participating in the parade last July. Roger Haughton brought his antique fire truck, so some were able to ride instead of walking the four-block parade route, and afterward we hosted a very successful free hot dog lunch in Faith Hall for the community.

This July 4th (a Thursday) we'll again be in the 12 noon parade, with some atop and others marching behind Roger's fire truck. The crowd will be invited to join us for a free lunch, featuring hot dogs with all the fixins, chips and drinks — inside air-conditioned Faith Hall between 12:30 and 2:00 p.m.

Plan to join the parade—be at the parade start in front of the Fallon Hotel on Washington Street in Columbia by 11:45 am on the 4th. We have matching sashes for all to wear, and some "49er Church" sun visors also.

## Pet Advice

By SPCA International

Never leave your pet in a hot car. It can take minutes for a pet to develop heat stroke and suffocate in a car. The temperatures in a car can reach 90 degrees in the shade and top 160 degrees! Leaving the window open a crack is not acceptable.

Always have water available for your pet.

Try to keep your pet off hot asphalt or hot sand; it can burn paws and also increase body temperature and lead to overheating.

Dogs and cats drink more on hot days, and water warms up quickly. Make sure to change your pet's water often.

The following are some of the foods extremely poisonous to pets: raisins, garlic, grapes, onions, chocolate and products with the artificial sweetener, Xylitol.

Fill a kiddie pool with water for your pup to cool off in.

Ticks and mosquitos are at their peak in the summer. Do a thorough check on your pet after coming inside.

Avoid strenuous exercise during extremely hot days and keep the sessions short.

Keep dogs off lawns that have been chemically treated with fertilizer for at least 24 hours. Many of the chemicals used in lawn treatments are toxic to pets.

Don't let your dog drink seawater; it causes dehydration and vomiting. If a dog ingests enough it can be fatal. Bring fresh water for your dog when you're going out to the beach.

**Submitted by Ozell Gilmore.**

## Community Dinner

Our next dinner will be on Wednesday, June 5th. Per Chef Rose Shaffer, the menu is barbecued chicken, baked potato, corn on the cob, and watermelon.

Invite your friends, neighbors, anyone who might be interested! The doors to Faith Hall open at 5:00 and dinner is served at 6:00 pm. This is a free meal, however donations are accepted.

## Interfaith

This month, besides asking for volunteers from you, your family or friends, I would like to repeat a couple of items we could use - blankets and bedding, all sizes. They don't have to match, just so they are clean and in good condition. We also go through a lot of toiletries, either the small or regular size will be welcomed. In the pantry area, we have requests for dog and cat food. Some people who come in ask for food for their companions which we gladly try to accommodate. If you can help with any of these requests and don't know the hours or days you can drop them off, just bring them to church on Sundays, I'll be glad to take them for you as I usually go a couple times a week. Thank you ahead of time for whatever it is that you can help with. We always need prayers for our workers as well as the clients.

Vi Morgado, Interfaith Liaison

## Allen Graham, Missionary

Dear Church of the 49ers family, thanks for the opportunity to share another update from the field. Thanks also for your prayers in May.

In 2001, June 20 was declared by the United Nations as [World Refugee Day](#). It is estimated that there are currently 108.4 million people worldwide forcibly displaced because of persecution, conflict, violence, human rights violations, and events seriously disturbing public order. That's the equivalent of one of every 74 people alive today. The World Evangelical Alliance and The Refugee Highway encourage believers to pray specifically for these displaced persons on the Sunday before or after June 20, that is June 16 or 23. You can find more information and some good resources at [I was Live](#).

The online fundraising training with managers from Trans World Radio stations in Kenya went very well. Thank you for praying. There were about 25 participants who are now evaluating what they learned and planning how to apply it to their local situations. Because of limited Internet access, almost all of those attending had to keep their cameras turned off. Online teaching is hard, and this was even harder since I couldn't see the facial reactions of the students. Over the next few months, I

hope to hear from some of the managers to find

out what did and what didn't work for them. This will help me better prepare for similar sessions in the future.

Thank you for praying for our spring fundraiser (sharathon) in mid-May. God moved in a big way, and we are very thankful. Let me share with you one of the testimonies that we received: *Don't say my name. Two weeks of (drug) consumption almost every day. A lot of money was spent. My family is worried. I am angry with myself for the miserable life I have been leading. I have lived almost 21 years playing with drugs, there was a time when I was super chronic. There has been time without consuming, but when I fall, I hit hard, I become completely destabilized. I went almost a year without using, but I fell again last year, on February 17, my birthday. I was working in a bank in another city, I lived alone and, as you can imagine, I consumed every day. The truth is, I'm tired of this situation. I am a systems engineer, 46 years old and now I am separated. I realize that the closer I get to God, the more I fall.* Please be praying for this listener. God is the only One who can fill the void in this man's life, bring an end to the drug abuse, and give him hope and a future.

Along with three coworkers, I was able to attend a seminar on *Digital Missions*,

using social media for evangelism and mission work by youth and for youth. It was exciting for me to see over a hundred young people preparing to take up the call to missions for their and future generations. Please pray that God will continue to work in the lives of the participants as He fulfills His call in their lives.

Thank you for walking with me as, together -- with Jesus, we strive to take life and hope into areas of spiritual darkness. Have a blessed month!

Allen

## BOOK REVIEW for SUMMER READING

By Denella Kimura

### The Last Jihad Collection

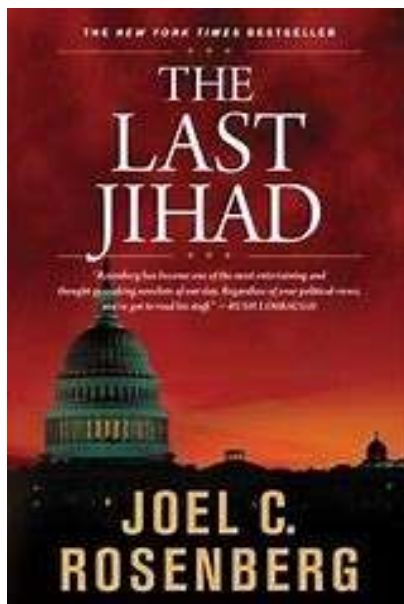

By Joel C. Rosenberg

Joel Rosenberg is the author of 12 fiction and 5 nonfiction books. His first series is "The Last Jihad Collection" published by Tyndale House Publishers between 2005 and 2008, which sold 3 million copies, and hit the NY Times Best Seller list. The stories feel like they were based on Tomorrow's headlines. "The Last Jihad" was written in early 2001 about a hijacked plane aiming at a building in one of our major cities. It was written before 9-11 happened. At the time people were looking for literature from Middle Eastern experts. That was how "The Last Jihad" was published.

Tyndale House began with the publication of The Living Bible (copyright 1971). I knew them in the early '80s at Mount Hermon Writer's Conference. Tyndale would not take fiction, despite the fact that people were reading a lot of fiction--I--- was reading all kinds of Christian and non-Christian novels, from Christian authors like poet and author Grace Livingston Hill, who wrote in the '20s and '30s.

Joel Rosenberg is a Messianic Jew, which means that he is a Jewish Christian. His fast-paced books do not have swear words, but you won't have any trouble identifying the bad guys.

They're terrorists being hunted by the principal characters, Jon Bennett, advisor to the American president and Erin McCoy, CIA operative, two of the shrewdest strategists on Wall Street, and close friends with the U.S. president. Throughout the books they save each other's lives as they gradually fall in love.

In "The Last Jihad," the plots are from biblically based prophecies that come to pass in the story. Book One's comes from Jeremiah 51:24, 37, "Before your eyes I will repay Babylon and all who live in Babylonia for all the wrong they have done in Zion, declares the Lord. Babylon will be a heap of ruins, a haunt of jackals, and object of horror and scorn, a place where no one lives."

"The Last Days" focus is on the prophetic events that lead up to the Rapture. Those events are described in Jeremiah 51, Isaiah 2, Ezekiel 37-39. Genesis 49:1 says, "Then Jacob called for his sons and said, 'Gather around so I can tell you what will happen to you in the last days.'"

"The Ezekiel Option" gives the reader a taste of God's judgment in the War of Gog and Magog. If you were ever confused about where these names come from, there's a great explanation in this book. Erin and Jon are separated, and he must find her before the Day of Destruction comes from Ezekiel 38. The Day of Destruction destroyed the Dome of the Rock, an Arabic place of worship, which opened the possibility of rebuilding the Jewish Temple in its original setting.

In "The Copper Scroll" there is a treasure map of sorts that leads to the Temple treasures that would be placed in the new temple.

And "Dead Heat," the last book of the series, is a race against time for Jon and Erin to bring their friends to the Lord. They have been actively teaching their friends how to accept Jesus as their savior before it is too late. . . before time runs out.

I have to tell you that people die in these books, but the Christian testimony of Erin and Jon is consistent throughout. The Gospel message is clear, and repeated over and over to those who need Jesus.

"The Last Jihad" series will keep you reading until the wee hours of the morning. The endings are full of surprises, and you will learn a lot about our Middle Eastern neighbors and their purposes both good and evil.

# We Celebrate

By Dick Dyer, Church Historian

Many years ago, a Presbyterian Elder and I reminisced about the church's services at our Pasadena church. I remarked that I enjoyed our pastor's spiritual messages. My friend, an influential Old Timer, remarked, "Yeah, but our church also knows how to present exciting Christian celebrations." At that time, I didn't realize that was to be a feature of our new home church in the Mother Lode after 1969. After some reflections, my thoughts have led to an article for the *Golden Nugget*; what follows after a few changes is a rendition of an exciting time in the Church of the 49ers in Columbia.

At a meeting of the church's History Committee in late 2013, the historians felt a celebration of the 49er Church's historic 160th Anniversary should be sponsored by our committee in 2014. And leading up to it the committee organized a Church Heritage event also. Eventually, after consulting with Pastor Janet Russell and several members of the Session, both dates were set and the committee began work to organize them. This article for the June 2024 *Golden Nugget* tells the tale of the Heritage Sunday on March 16, 2014; and a later article will cover the 160th Anniversary event, which was on November 23, 2014.

My preparation for this article involved locating pertinent archival records and several oral history interviews; I must confess, it became an exciting search as I relived those memorable occasions at our historic church.

In early 2014, in anticipation of Heritage Sunday, Faith Hall became the center of our activities. Historic photographs and artifacts were displayed to attract members and visitors from

Columbia. We featured the original church bell which had been salvaged from the fire of 1950; it revived memories of the years it assembled Columbia's worshippers at many Sabbaths. It was for many a curious relic of bygone years although partially melted and tarnished, now it was retired in Faith Hall.

During the Heritage service in the sanctuary, about a dozen volunteers spoke about spiritual reminiscences during memorable years.

Left to right: Louise Lertora, Pirkko Dyer, Jan Atkinson, Darrol Davis, Betty Sagaser, Dick Dyer, Russ Edell, Bob Sagaser, Leslie Davis, Fred White

On the front porch, Brent and Laurie Corson entertained the arriving families by playing their banjo and musical saw; later in Faith Hall they directed members in the singing of hymns and I LOVE YOU CALIFORNIA (the official state song from 1913).

Brent and Laurie Corson

During the special sanctuary service, church members provided unforgettable memories of the memorial days.

Jan Atkinson and Fred White

Included was the popular "Trust and Obey" hymn accompanied by the historic pump organ played by my wife, Pirkko - always a delight to the congregation. Additional hymns and the Doxology concluded the service.

Pirkko Dyer

From the historic pioneer pulpit, the Rev. Janet's homily reminded all in her rendition of "The time of old, a time of gold" still remains Columbia's story. Presbyterians must have felt pride for the 49er Church's community service since 1854.

The March 7, 2014 issue of the *Union Democrat* newspaper featured the special celebration; their writer included interesting church activities complete with several photographs of the worship service. Pastor Janet said, "We are here for the benefit of the community...knowing that God has been beneficial in really hard times....The strength and hope see God in the present and we are confident that He will be with us in future....The folks that come here are just the best in the world....we welcome everybody."

## Session Highlights

We are six weeks without a 49er Church Pastor. How are 49er Church programs running?

A.

1. Major answer to prayer: The Information Packet is complete. A copy was provided to Rev. Dave Kerr on May 5 for Presbytery approval, though we haven't heard yet.

2. Music, liturgists, singers, ushers, and tech team are running well.

3. Deacon ministry is working well.

4. Office Administrator functions are running smoothly.

B. Pulpit supply is working great. Sermons are meaningful, though some people in the back had a difficult time hearing the soft times--Judy will ask Tech team to adjust the pastor's mike. Future pulpit supply could include McGurk, Kerr, and Westgate. Dave McGurk from Merced will speak again on May 26 and the first 2 Sundays in June.

C. Work on finding the Transitional Pastor is ongoing. There is already some interest in the position.

D. We all would like to have a Head of Staff / Senior Pastor on staff ASAP, but the use of a pulpit / transitional pastor in the interim will improve the 49er Church's finances.

E. Reporting to Covenant Partners of PNC activity is ongoing. Weekly updates will continue during Announcements.

F. For the past four weeks, church attendance has been in the 84-86 range per Jon Etheridge. Sharon mentioned that we might see a normal drop during summer due to vacations.

G. Committee Reports

1. Finance--Checking Account = \$10,648.87 (above the intended goal of \$10,000). Income is up from this time last year but so are expenses. The continued goal is to hold down expenses. Every month without a pastor is saving the church money. Pulpit supply expenses are expected to be less. The Tech team will receive a pay increase.

2. Buildings and Grounds--Betty is concerned about a leak in the swamp cooler in the bell tower. Finance Committee agreed to spend up to \$500 to fix the leak. However, Sharon suggested that since the unit is so old that maybe it would be better to replace it during the repairs of the rotten platform. Betty will wait to find out what needs to be done before making a decision. Right now the water has been turned off, and only air is being blown.

A Health Department Inspection occurred on May 9. The Inspector cited the need for "Proper back flow prevention..." Paperwork was sent to the plumber for an estimate.

Richard Wonder mentioned that the gutter on Faith Hall would not need to be removed, but just keep the gutter clean as it is now. Doreen suggested that installing a leaf guard would keep out the debris and roof grit, so she will send Betty some information.

Before the Fire Inspection July 1, Betty will have Cisco charge the fire extinguishers and date the tags; check the spring inside stove that turns on the sprinklers in case of fire; and drain the fire lines.

All rooms need to be checked for any storage problems, capacity signs in the Sanctuary and Faith Hall, and that all exit signs are working. Betty said it should take less than an hour to check

all storage rooms, so Judy will ask Tony and Greg to do a walk-through.

The stage in Faith Hall is being finished with railings.

Betty will be taking the computer out of the Pastor's office to back up and upgrade the operating system at no charge.

3. History Report--Dick Dyer and Leslie Davis continue to provide articles to the *Golden Nugget*. Doreen will submit "A Brief History of Our Campus" expanded from the original Information Packet before revisions.

4. Personnel Report--Sharon will work with Betty to create a Job Description.

The next Session meeting is Wednesday, June 26 at 2:00 pm in CE3.

**Doreen Bass, Clerk of Session**

## Heritage Sunday

**Continued from Page 8**

After the Sabbath Service worship resumed in Faith Hall with a delicious tri-tip feast for members and friends. Several church women provided impressive delicacies prepared from historic recipes in *The 49ers Own Cookin' Book*. The celebration remains vivid to many today.

Indeed to my Old Friend, Presbyterians do enjoy opportunities to CELEBRATE — always in His Name, at His Church.
